2nd class

Book Week-March 2020

We had a wonderful time during Book Week. We watched interviews with some of our favourite authors, had a visit from the Baldoyle Library librarian and dressed up as our favourite book characters on World Book Day.

News2day and Picker Pals - January 2020

2nd class, Patrick Jackson and Ms Johnson were all very excited to have the News2day cameras come to our classroom in the Burrow National School. 2nd class did a great job explaining how the Picker Pal Programme works and singing the Picker Pal song. Did you know that 2nd class were the first class in the world to take part in the Picker Pal Programme? We all had great fun completing the activities in our new Picker Pal fun books and will continue to pick up litter in our local environments to make the world a better place.
