

2nd Class have been busy this term.

We finished our ten weeks of swimming lessons in Portmarnock. Everyone can change in record time! We also enjoyed sports conditioning with Fingal Co. Co.

In Maths, we started regrouping but we had to create structures first.

My sister Lydia joined us in our festive workshop. We hummed along to Christmas music as we made snowmen using socks, owls using pine cones and Christmas cards.

We love to draw in 2nd Class. Our themes this term were foxes and reindeer.
