

Senior Infants

Senior Infants were very busy during Active Week, with dancing, skipping, penalty shoot-outs and much more. We were even lucky enough to visit Sutton Lawn Tennis Club, where we were met by coaches Rob and Conor, who taught us some skills. Andy Murray and Serena Williams better watch out because they could get a run for their money!

Senior Infants have also displayed their creative ideas during Aistear.

We love to use different recyclable items, that may otherwise be thrown out, to construct fabulous art, at our junk art station.

We have been having a lot of fun getting creative at our playdough station.

Senior Infants have been a wonderful class this year and they look forward to First Class next year.

We wish everyone a happy, safe and sunny summer!
