

BEGINNER GUITAR

at The Burrow

Mondays 2:15 - 3:15

GUITAR LESSONS

The lessons include melody playing, chord accompaniment, note reading, two-part solo playing, introductory music theory and scales.

Using friendly chord shapes we will start playing songs together with a backing track, this helps promote good rhythm, steady metre and is a lot of fun!

I will provide parents with "follow along" video clips to share with their children with backing tracks and visual cues that can be used at home.

I have incorporated the syllabus of 3 music exam bodies into my teachings (RIAM, RGT and ABRSM) with the intention to prepare children for preliminary and 1st grade level testing if parents choose.

For the more advanced students I can adapt lessons based upon their ability and style. The intention this term is to have an end of term performance for all children all levels, this will be a fun zero stress event for all!

When: Mondays 2:15 - 3:15
Starting 03 Sept 2018

Teacher: Bill is the owner of Howth Music School and teaches Guitar, Ukulele, Banjo, Bass, Music Theory and Voice. He is also a composer for film projects in Ireland and in the USA.
