

Junior Infants have been very busy since they arrived in September. They spent a lot of time getting to know their new class room, the school and all the teachers. They also had lots of new friends to get to know and names to learn! Here is just a snip bit of some of the things we got up to this half term.

Junior Infants met their 6th Class buddies and have had funny playing together outside, going on walks, reading stories, playing with toys and drawing pictures.

They started playing the violin with their new teacher Jenna and are doing really well.

They look like professionals already!

In September they practised writing their names a lot and how to hold their pencil correctly and have now completed the first block of their Jolly Phonics letters. They are enjoying the songs and stories and their writing is getting better all the time. So far we have learned s, a, t, i, p and n.

They have done lots of lovely art; The three little pigs, The Ugly Duckling, The Very Hungry Caterpillars and Prickly Hedgehogs in paper and clay.

We took part in a movement programme and tried standing more for a week, sitting in different ways, having movement breaks and even having class with our shoes off!

(Sitting on the floor to read our stories instead of at our desks) (Our shoes all lined up in the corridor)

Junior Infants even had a few special treats this half term; the opening of the garden with bouncing castles, a science show, bricks for kids and the PA Hallowe'en movie.
