

Fourth class have enjoyed a busy Christmas term.

In November we learned interesting facts about Italian culture. We painted the Sistine Chapel under our desks.

We tasted Italian foods such as bruchetta, salami, mozzarella and gelato!

We have been learning about Advent and made traditional Christingles.

We have been busy preparing for our Christmas play The Snow Queen.

We also performed festive tunes on the tin whistle for senior infants.

We are excited for what the New Year will bring for fourth class.
