

This term 4th class have enjoyed a variety of activities.

They completed excellent projects about Japan. Abigail even brought in some delicious sushi for everyone to try!

They created drawings in the Pop Art style. Here is their beautiful artwork inspired by the renowned artist Roy Lichtenstein.

Congratulations to Jessica Newman who won best dressed as part of World Book Day. She came to school as Gangster Granny and won a book of her choice from the Book Haven for her excellent costume.

Finally, some of our 4th class boys competed in a squash tournament and brought home some trophies and medals. Well done buachaillí!
