

5th Class had a busy and fun last term. Have a look at some of the things we got up to.

We created art based on/inspired by the art of French artist Robert Delaunay.

Brilliant projects based on influential people or groups were made and presented. There was a great variety of people and groups chosen.

We created and painted clay pinch pots.

We played loads of different sports during active week. Here is 5th class playing hockey.

Some of the class who took part in the after school activity went for a swim on Burrow Beach.

We had a gorgeous day exploring the island of Ireland's Eye on our school tour.

For our 5th class night, we watched Johnny English, ate Apache pizza in the garden and played hide and seek around the whole school!
