

FIRST CLASS

We began this school year talking about the 'bucket loads of fun' that we had during our summer holidays, as well as discussing some things that we are looking forward to in First class.

We made the most of September's sunshine, reading and devouring rice krispie buns in the garden!

We learned all about Swallows and their migration to hotter climates.

Thank you to sixth class for the yummy treats that they baked for the cake sale.

G.A.A. with our coach, Paddy is back and we are delighted!

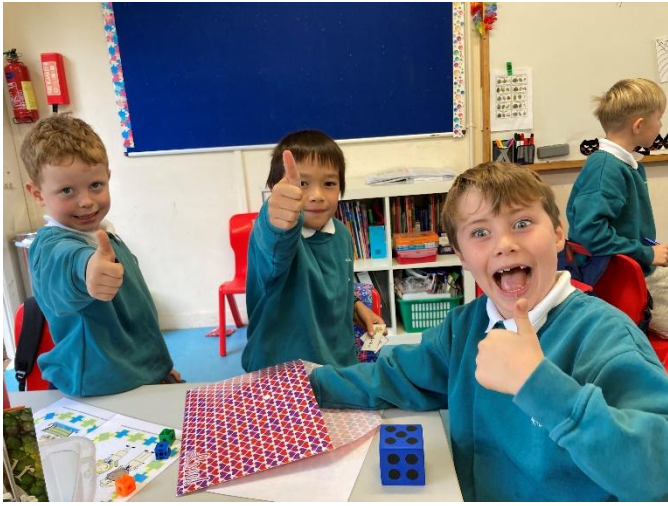

We are enjoying our violin lessons with our teacher Shane. It's a thumbs up from us!

We are thrilled with our new Green School Flag.

We were busy during maths week. We loved our maths stations and outdoor maths trail the best.

We were learning all about symmetry in maths and made symmetrical pumpkins just in time for Halloween!

We also completed a science experiment where we made ghosts.

Happy Halloween from First Class!
